relief that there is an adequate remedy at law.

(D) In addition to the civil penalties set out above, any provision of any town ordinance that makes unlawful a condition existing upon or use made of real property may be enforced by injunction and order of abatement by the General Court of Justice. When a violation of such a provision occurs, the town may apply to the appropriate division of the General Court of Justice for a mandatory or prohibitory injunction and/or order of abatement commanding the defendant to correct the unlawful condition upon or cease the unlawful use of the property. (G) Any ordinances hereafter adopted by the Board of Commissioners of the Town of Cooleemee, the violation of which shall incur a penalty, shall specify whether the enforcement shall be pursuant to the civil penalty and/or criminal penal provisions of this section.

Such warning citation shall set out the nature of the violation, the section violated, the date of the violation, and shall contain an order to immediately cease the violation. If the violation is in the nature of an infraction for which an order of abatement would be appropriate in a civil proceeding, a reasonable period of time must be stated in which

the violation must be abated. The warning citation shall specify that a second citation shall incur a civil penalty, together with costs, and attorney fees.

(I) An appeal from a warning citation shall be taken within ten days from the date of the warning citation to the Board of Adjustment. Except in any case where the ordinance violated, which is the subject of the warning citation, specifically grants to the Board of Adjustment other powers in considering appeals and such appeal is applied for, the Board of Adjustment in considering appeals of warning citations shall have power only in the manner of administrative review and interpretation where it is alleged that the enforcement official has made an error in the application of an ordinance, in the factual situation as it relates to the application of an ordinance or both.

(J) Where the enforcement official of the town determines that the period of time stated in the original warning citation is not sufficient for abatement based upon the work required or consent agreement, the enforcement official may amend the warning citation to provide for additional time.

(K) Upon failure of the violator to obey the

warning citation, a civil citation shall be issued by the enforcement official of the Town of Cooleemee and either served directly on the violator, his or her duly designated agent, or registered agent if a corporation, either in person or posted in the United States mail service by first class mail addressed to the last known address of the violator as contained in the records of Davie County or obtained from the violator at the base of issuance of the warning citation. The violator shall be deemed to have been served upon the mailing of the citation. The citation shall direct the violator to appear before the Town Clerk of the Town of Cooleemee, or designee, within 15 days of the date of the citation, or alternatively to pay the citation by mail. The violation for which the citation is issued must have been corrected by the time the citation is paid, otherwise further citations shall be issued. Citations may be issued for each day the offense continues until the prohibited activity is ceased or abated.

(L) If the violator fails to respond to a citation within 15 days of its issuance, and pay the penalty prescribed therein, the Town of Cooleemee may institute a civil action in the nature of debt in the appropriate division of the North Carolina General Court of Justice for the collection of the penalty, costs, attorney fees, and such other relief as permitted by law.
